

BOULDER COUNTY INTERGROUP CENTRAL OFFICE

Add Service to Your Program

Intergroup's Central Office exists to aid our local groups in carrying the AA message to the alcoholic who still suffers. It is maintained, supervised, and supported by participating Boulder County AA groups for their common interest.

WHAT IS INTERGROUP OR CENTRAL OFFICE?

- It's a partnership among AA groups in our local community—just as AA groups themselves are a partnership of individuals.
- It aids the groups in carrying the AA message to the alcoholic who still suffers.
